

Tutorial Guide for MultiPlan® Imagine more...

ISO Student Health Insurance cooperates with both the First Health and Multiplan provider networks, which have thousands of in-network doctors and hospitals within the United States.

In the [Multiplan](#) network, there are several ways to find in-network doctors/ hospitals in your area. Below is a quick tutorial guide of finding in-network doctors/ hospitals.

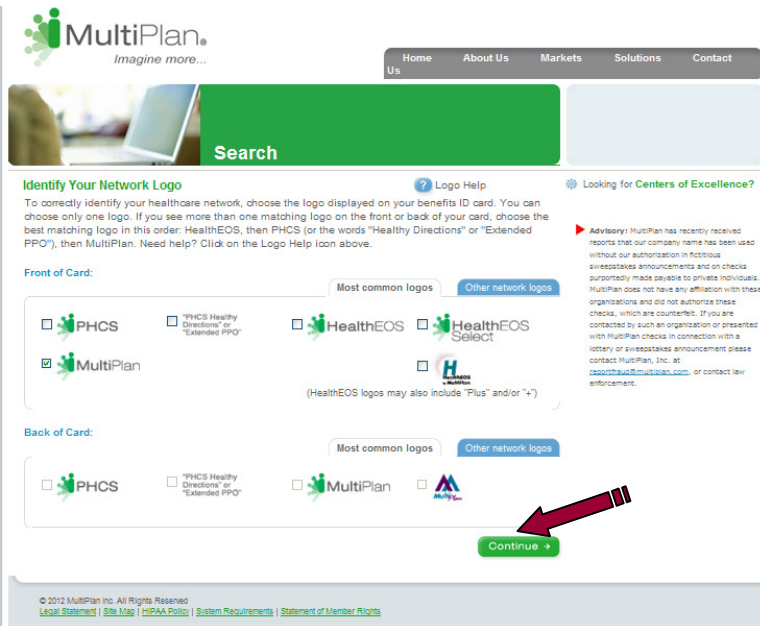

Multiplan website: <http://www.multiplan.com/index.cfm>

1. Click on

The screenshot shows the MultiPlan website homepage. At the top left is the MultiPlan logo with the tagline "Imagine more...". To the right is a navigation menu with links for "Home", "About Us", "Markets", "Solutions", and "Contact Us". Below the navigation is a large banner image of colorful pencils and markers with the text "Imagine More... Options". To the right of the banner is a green button with a magnifying glass icon and the text "Search for a Doctor or Facility", which is highlighted by a red arrow. Below this button are three blue buttons labeled "Payers", "Providers", and "Patients". Further down is a section titled "PHCS and HealthEOS members: Looking for a Doctor or Facility?" with radio button options for "PHCS Network", "PHCS Healthy Directions", "HealthEOS Network", and "None of these". At the bottom right is a "Go" button. The footer contains copyright information and links to "Legal Statement", "Site Map", "HIPAA Policy", "System Requirements", and "Statement of Member Rights".

2.  MultiPlan is on the front of your card so please select Multiplan as indicate in the image and click on 

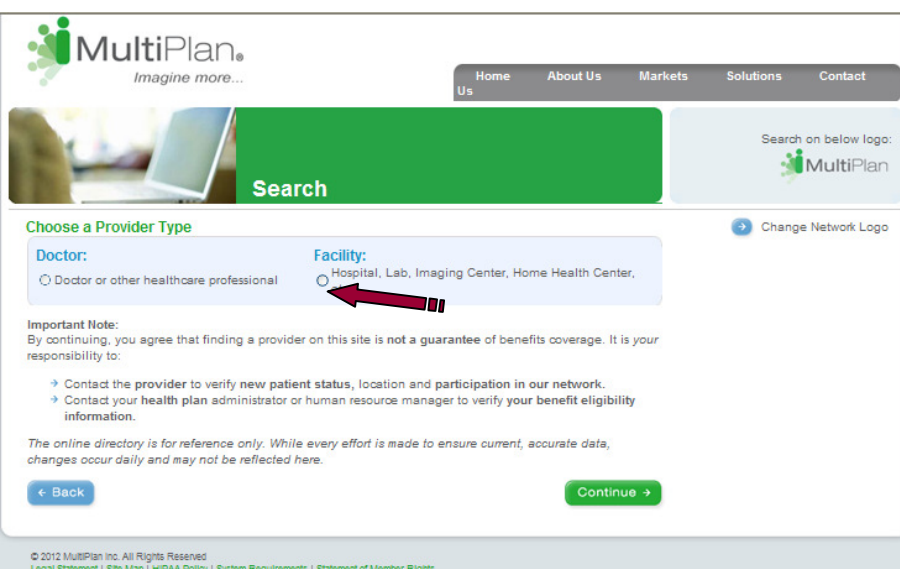

3. Choose either Doctor or Facility based on your need and click on 

Example:

I want to find a doctor for all of my family members.

I would select Doctor and click on 

4. On this page, I would put my zip code and choose type of Doctor, for instance, Family Practice/ General Practice/ Internal Medicine, so I can narrow down the range of doctors.

Also, by clicking the down facing arrow, doctors' gender, languages spoken, and/ or hospital affiliation can be choosed.

The screenshot shows the MultiPlan search interface. At the top left is the MultiPlan logo with the tagline "Imagine more...". A navigation menu includes "Home", "About Us", "Markets", "Solutions", and "Contact". A large green "Search" button is prominent. Below the search bar, the "Enter search criteria" section is divided into several fields:

- Location:** A dropdown menu is set to "1" miles of ZIP code, with a text input field containing "10001". Below this are fields for "City:", "State:", and "County:".
- Type of Doctor:** This section contains four dropdown menus: "Specialty: Behavioral Health:", "Primary Care: Family Practice / General Practice / Internal Medicine", "Surgery:", and "All Specialties:".
- Name:** Two text input fields labeled "First:" and "Last:".
- More Search Options:** This section includes three dropdown menus: "Gender: Select", "Languages Spoken: Select", and "Hospital Affiliation: Select".

At the bottom of the search criteria section are two buttons: "Back" and "Continue". The footer contains copyright information: "© 2012 MultiPlan Inc. All Rights Reserved" and links to "Legal Statement", "Site Map", "HIPAA Policy", "System Requirements", and "Statement of Member Rights".

Red arrows in the image point to the "1" in the location dropdown, the "10001" text input, the "Primary Care" dropdown, and the "Gender" dropdown.

5. After you click [Continue](#) you can find the doctors' information and their offices' contact information. Make an appointment before you visit so you can avoid excessive waiting time and crowded patient rooms.

You can also map the address after clicking on the name of the doctor.
